REQUEST TO REMAIL AN OFFICE ACTION AND
RESTART A PERIOD FOR RESPONSE

Sir:

It is respectfully requested that the Office Action be remailed to the correct correspondence address in the application. It is further requested that the period for response be restarted from the "remailing" date. The re-mailing of the Office Action is warranted for following reason.

The request for change of correspondence address in the application was mailed to the USPTO on February 10, 2005. A copy of the request is enclosed for your reference. According to the stamp on a self-addressed postcard, the request was received by the USPTO on February 14, 2005. A copy of the postcard is also enclosed herewith. The new correspondence address, however, has never been entered into the USPTO records, as is apparent from a copy of the first page of the Office Action obtained from the private PAIR. Consequently, the Office Action has never been received in this case.

Pursuant to MPEP 707.13, the returned Office Action is to be remailed with a new date to the new correspondence address. The period running against the application begins with the date of remailing.

Prompt attention to this matter is sincerely appreciated. If there are any questions, the Examiner is respectfully requested to call the undersigned attorney at the number listed below.

Respectfully submitted,

By
